### Little Tanks - **\*\*New\*\*** After school drama club

**Autumn Term 2021– Wednesday 15th September - Wednesday 8th December**

Little Tanks is a fun after school drama club that aims to build confidence within the children for them to use the skills, they develop in their day-to-day routine. Each session the tutor will carry out activities that will help encourage the children's confidence as well as working towards a small-scale production at the end of the term.

During the last session we like to invite family and friends to see what the children have been doing during the term in the form of a show and we provide props, costumes and music. We also have a presentation at the end where two children are awarded a Little Tanks prize for gaining the most confidence during the term as well as the whole cast receiving a certificate.

Our tutor arrives at the school for when school finishes ensuring that the children are safe and cared for until the club starts. We also like to keep in contact throughout the term so please do provide your e-mail address to enable this to happen smoothly.

There are limited spaces available so please complete the application form and pay via bank transfer as soon as possible to avoid disappointment. Little Tanks works on a first come first serve basis so please don't hesitate if you are interested in joining – all the details are on the application form attached.
