Meet the Teacher Introduction Meetings

Dear Parents/Carers,

With all the children now settled back into school life we would like to welcome you back to St Anthony's with an informative 30 minute **'meet the teacher'** meeting that will equip you to support your child's learning throughout the academic year.

The meeting will consist of a presentation by the class teacher and will inform you not only of the curriculum, but also expectations of their age group. They will also be discussing internet access and how to protect your children whilst working online.

This year these meetings will be held on **Wednesday 15th September from 4:00pm over Zoom and will last approximately 30 minutes**. Please see the table below for information on when and what time your child's meeting will be held. You will receive an email from the school with all the details you need to attend.

It is a known fact that when parents work alongside the school, their child's learning benefits. We wish to ensure that your child achieves the highest success to be the **'best they can be'**. Therefore we do urge you to make every effort to attend this meeting.

For further information, please do not hesitate to contact the school office.
