Gospel Reflection. Sunday 7th March. 3rd Sunday of Lent

John 2:13-25 **JESUS CLEARS THE TEMPLE COURTS**

In our Gospel last Sunday we heard a familiar Gospel reading, where Jesus showed his human side and got angry and frustrated with people using God's House as a place for selling offerings and money-changers, rather than a place of prayer and devotion. The question was why he should have the authority to force the market sellers to leave, but he refers to the Temple as, 'My Father's House', giving us a clearer understanding of why he is so upset.

Jesus saw something that he felt was wrong and he stood up for what he believed was right. We can learn from this too; if we see something that is unfair and unjust, Jesus would want us to stand up for fairness. As we prepare throughout Lent, we should remember the Lenten promises that we have made and try to help others in this time. It is all our responsibility to make the world a fair and just place. This week, the children have been talking about Fair Trade in our reflection, and about the CAFOD Lent Appeal. You will be aware that we are raising money for CAFOD this Lent, to support those around the world who do not have access to clean, safe water.

As we have seen our cherished pupils at St. Anthony's return this week, nothing has been more evident and palpable in our halls than the feeling of community, love and friendship.

Our First Week Back!

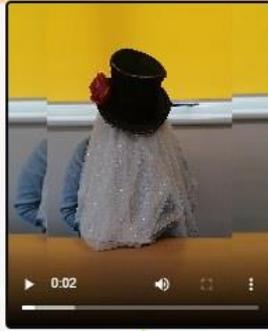

It has been a delight to have the children back to school this week. They have been very excited to see their friends and teachers, and it has been a joy to talk to them all about their experiences and their hopes now that we are back together.

We had a wonderful themed week based on 'Spring' across the school, where children planted seeds and observed nature. We celebrated World Book Day on Thursday, where children had the opportunity to dress up and talk about their favourite books. At St. Anthony's we LOVE reading and are thrilled to see such enthusiasm for reading and story-telling.

Lunch Boxes

At Saint Anthony's we promote a healthy living and eating life style for all our children. The children learn all about what foods to eat in order to get the best out of our bodies and brains and become the best learners we can be. We would really appreciate the support from home in also promoting this message. Please do not put chocolate and high sugar/salt products in your children's lunch boxes. For some ideas and guidance please see the website and posters below:
