Parents Evening

Dear Parents/Carers,

Thank you for your support during the first week of our full return to the school. It has been fantastic to see how well the children have settled back into their learning and an absolute delight to see them working with friends whom they have only interacted with remotely over the past 8 weeks. We have made a positive, safe and confident return to school and I would like to reiterate our appreciation for the part that you have played in this.

I am pleased to be able to inform you that we will be holding a parent evening for children in Reception to Year 6, the week commencing **Monday 22nd March 2021**. Due to current restrictions, this will be hosted virtually using the online system **School Cloud**, which allows you to talk to your child's teacher over video and choose your own appointment times with teachers.
