

## Reception Advent Homework

Each week please choose one of the activities to complete and email your teacher a photo of your completed activity.

Shape, Space and Measure	Literacy	Understanding the world	Physical Development	Design and Technology	Communication and Language.
<p>Advent falls in the season of Winter. You will notice most of the trees are losing their leaves and there are lots of twigs on the ground. Can you find 10 leaves or twigs and put them in order smallest to largest?</p>  	<p>On Christmas eve, Saint Nicholas (Father Christmas) will hopefully visit all of us! Can you write a short sentence telling him how you have been good this year?</p> <p>My example is below:</p> <p><i>Dear Father Christmas, I have helped my friends in the playground.</i></p> <p><i>Love Mrs Costelloe.</i></p> 	<p>Advent is the time in the church calendar when we prepare for the birth of Jesus. The story of Jesus being born is a long journey. Mary and Joseph have to travel to Bethlehem from Nazareth. Can you share the Christmas story with an adult and listen out for the different places that are visited?</p> 	<p>Father Christmas has come down the chimney but found a very big mess in the house.</p> <p>Can you make an assault course with things around the house that he has to complete quietly so he does not wake up the children?</p> 	<p>You have probably noticed all the lovely Christmas treats in the shops at the moment. Could you ask an adult to help you and make an edible Christmas treat?</p>   	<p>Can you watch and learn 'We wish you a Merry Christmas' the people in the video are using sign language can you copy them?</p> <p><a href="https://www.youtube.com/watch?v=a-PBixyD_GU">https://www.youtube.com/watch?v=a-PBixyD_GU</a></p>
