Sports Premium Evaluation 2020/2021 **Sports Premium Strategy 2021/2022**

Objectives in spending funding:

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. In cases where schools don't follow year groups (for example, in some special schools), pupils aged 5 to 10 attract the funding. In most cases, the funding is determined by how many pupils in your school attract the funding using data from the school census.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport we offer. This means that we should use the Premium to:

- Develop or add to the PE and sport activities that our school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

There are five key indicators that we are expected to see improvement across:

- The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Summary Information 2020/2021					
School	Saint Anthony's Catholic Primary School and Nursery				
Academic Year	2020/2021	Total Sports Premium budget	£20,470	Date of most recent SP Review	September 2021
Total number of pupils	569	Total spend to date	<u>£20,470</u>	Date for next internal review of this strategy	September 2022

Formatted: Indent: Left: 0 cm

Swimming Data 2020/2021	
Meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metre metres?	
What percentage of your current Year 6 cohort use a range of strokes effectively?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water based water-based situations?	
Schools can choose to use Primary PE and Sports Premium to provide additional provision for swimming but this must be an activity over and above the national curriculum requirements. Have you used it in this way?

Desired Outcomes Review 2020/2021			
Indicator	Desired Outcome	Success Criteria	Evidence
1.	Increased participation in competitive inter-school competition* (Last year this was negligible due to Covid-19 Pandemic)	<ul style="list-style-type: none"> Children to represent the Academy in sporting fixtures against schools outside of the MAT chain, as well as internal competitions against regional academies in our MAT. Fixtures include those within the local slough area and outside of Catholic schools. 	<ul style="list-style-type: none"> Children attended inter house competitions with local schools Children played football matches with local schools and local schools visited our school for fixtures.
2.	To develop dance across the school further using a specialist dance teacher	<ul style="list-style-type: none"> Selected members of staff to attend CPD in REAL gymnastics and netball (could also include Hockey and Orienteering) Two year groups supported and trained by professional dance coach Year 3 staff supported and trained by professional gymnast coach 	<ul style="list-style-type: none"> Orienteering has been set up around the school for all children. Year 3 teachers were supported by a professional gymnastics coach Reception teachers have been supported by a dance coach
3.	Restructuring PE leadership team to maximise skills base	<ul style="list-style-type: none"> Redevelopment of PE staffing PE curriculum lead to take more ownership of SP funding and spending as well as the provision of PE across the school. Audit to check if all areas of the PE curriculum are being covered and needs of all children (including those with disabilities) are being met. 	<ul style="list-style-type: none"> New PE teacher started part way through this year. He has been working closely with our PE lead to develop the teaching and delivery of PE. Feedback from staff has been positive. Teachers now teach one PE lesson a week.
4.	Ensure Y5 and Play Leaders learn playground games and teach these to Reception and Year 1	<ul style="list-style-type: none"> PE coaches to model good playtime practise to Year 5 children. Year 5 play leaders to be given appropriate training and responsibility in order to facilitate 'good' play during lunch times. Observations to show successful team games being facilitated by Year 5 children 	<ul style="list-style-type: none"> This has not been achieved it was a project for the previous PE coach. This will be a focus going forward.

"The glory of God is
a human being fully alive"

		<ul style="list-style-type: none"> Incident record to show less playtime incidents 	
5.	Increased confidence, knowledge and skills of all staff in teaching OAA	<ul style="list-style-type: none"> Staff questionnaire to show that at least 75% of teachers feel more confident in this area. Children questionnaire to show that children can talk confidently about their outdoor activities and provision. 	<ul style="list-style-type: none"> Reception teachers and staff have been working hard on outdoor learning and have timetabled OAA lessons weekly. Children in EYFS can talk through their outside provision
6.	To increase the engagement of pupils in extra-curricular provision.	<ul style="list-style-type: none"> Tracking numbers of pupils engaged in before-school and after-school clubs in Autumn Term; use this to target more / different pupils for Spring/Summer Term. 	<ul style="list-style-type: none"> ASC were made free in order to encourage children to attend, this has proved very popular a review of costs will take place in Pentecost term.

Planned Expenditure	
Academic Year	2021-2022
