

Magical Maths is coming to St. Anthony's Primary School!

Dear Parents/Carers,

Professor Poopenshtinken and his friends will be coming to **St. Anthony's Primary School** to introduce a brand new after school club, designed to show your children just how much fun can be had with numbers!

After a disrupted year of education, our fantastic 'Covid-19 secure' clubs will help to boost your child's engagement and enjoyment in maths through really fun and challenging games, tricks and activities.

This **11 week** club begins **Thursday 23rd September** and is priced at just **£77.00**. To find out more or to book your child's place, visit our website www.magicalmathsclub.com or call us on **07734733240** but hurry as places are limited!

*We look forward to welcoming your children
for lots of Mathemagical fun!*

*This is maths, but not as
you know it... Be prepared to
have some serious fun!*
