This week at St. Anthony's

To commemorate Remembrance Day last Thursday, the children in Year 3 and Year 6 designed some art work on poppies.

Year 6 were learning about colour. They created a colour wheel and found out about complementing colours, warm and cold colours and what the word monochromatic meant.

Star of the week for week ending 12th November

Over the past couple of weeks, the children at St Anthony's have been getting in the Christmas Spirit a little early.

They created some amazing pieces of art which are now available for you to buy in a variety of forms, including Christmas cards, keyrings, magnets, place mats, bags, cups and many more.

Go to the website <https://mychildsart.co.uk/order> and use the login details below. Search for your child's name and then confirm your child. You will then see their work and be able to order it.

The Friends of St Anthony's Catholic Primary and Nursery School will receive 20% commission from all orders made and this money will then be used in a variety of ways to support the school and improve the school using suggestions from the School council.

Lunchboxes

We are a nut free school due to some of our students having nut allergies, this includes nutella. Sweets and non healthy snacks are also not permitted.

Arriving on time in the morning

Please ensure that your child arrives to school on time, as it is vital that they do not miss early morning work. School gates open at 8:00 am for Breakfast Club and 8:15 am - 8:30 am for registration. Please use all three gates, to ease congestion.

Illness

If your child is not going to be attending school due to illness, it is important that you call the school office before 8.30am and leave a message on the absence line, stating the child's name, class and the reason for absence.

Birthday treats

We would like to remind all parents that we are allowing pre-packed cakes or a healthy snack to be handed out for birthdays but no sweets please.

Breakfast Club

If you have signed your child up to breakfast club please ensure you arrive promptly at the Stafford Gate for 8:00 am. The gate will close at 8:05 am and re-open at 8:15 am for the staggered start.

We would love to hear your feedback! It is so nice to talk to you on the gate and hear positive feedback.

Please email: catchup@stanthonys.slough.sch.uk with feedback and messages for our school, children, learning and community and it will be shared via Twitter on feedback Friday!

Bridging Club

The bridging club option for next term has now closed.

When collecting on a Friday, please be reminded to either collect at **1:30** or at **3:30** if you have registered; please do not try to collect in between times, as it is very difficult for staff to plan activities. PLEASE MAKE SURE THAT YOU BOOK YOUR CHILD INTO THE GROUP, so that we can ensure that our staff are correctly deployed.

RAPID COVID-19 TESTS NOW AVAILABLE FOR HOUSEHOLDS WITH CHILDREN OF SCHOOL AGE

Whole families and households with primary school, secondary school and college age children, including childcare and support bubbles, are now able to test themselves twice every week from home.

Rapid testing detects cases quickly – in under 30 minutes – meaning positive cases can isolate immediately. This can be the difference between children being able to stay in school, or a class being sent home due to an outbreak. It could also be the difference between a workplace having to close for a period, or being able to stay open and running.

How do I get home testing kits?

There are 3 different options on how you and your household can get tested: 1. Order kits to test your household by visiting <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests> 2. Find a local site to get tested at by visiting <https://maps.test-and-trace.nhs.uk/find-covid-19-rapid-test-sites> and entering your postcode to find your nearest testing site 3. Find a local site where you can collect tests by visiting <https://find-covid-19-rapid-test-sites.maps.test-and-trace.nhs.uk/> and entering your postcode to find your nearest collection site.

Please do not contact the school for home testing kits as they are only available by these 3 options. We do not hold any testing kits on school premises for our families.

Meet the Teacher

If you missed Meet the Teacher and have any questions, please get in touch.

Contact us

We always welcome your feedback and hope we can answer any questions you may have. Although the office is currently closed, we will still answer emails and phone calls.
