

Year 3 Advent Homework

Each week please choose one of the activities to complete and email your teacher a photo of your completed activity.

Maths

Father Christmas' Elves need 10 more presents to fill his sleigh. How many ways can you make 10 using the numbers below?

5	8	6	9	3	
10	2	0	4	6	8
7	4	6	5	1	5
1	10	9	8	6	0
4	2	3	5	10	7

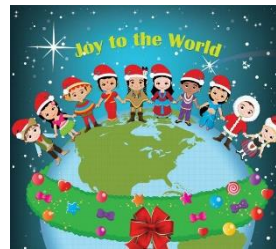

English

Advent is a time when we remember God's promise of a Saviour, and that God keeps his promises. Can you think about and write an Advent promise for yourself this year. It might be, to be kinder to your brother and sister or spend more time with loved ones. You can decorate it any way you like.

Geography

Christmas is celebrated all over the world but often countries have different traditions. Can you research one other country and how they celebrate Christmas? Can you make an information poster about what Christmas traditions you will find in another country?

P.E

Father Christmas needs to keep fit throughout the year so he has lots of energy when it comes to Christmas Eve. Can you keep up and follow his favourite dance routine?

Design and Technology

As the trees and the seasons are changing you will see lots of pine cones on the ground. Can you collect some and turn them into Christmas decorations? They might make lovely presents for your family or friends.

Science

We all love Christmas trees but what happens to them after Christmas? Why don't you have a go at melting your very own 'Christmas trees' at home!
