

## Year 5 Advent Homework

Each week please choose one of the activities to complete and email your teacher a photo of your completed activity.

### Maths

Santa's Elf is packing the presents. In each sack there are up to 5 presents.

- In the yellow and red sacks, he has 6 presents
- In the yellow and green sacks, he has 7 presents
- IN the red and green sacks, he has 5 presents
- How many presents are there in each sack?

In each sack there are up to 5 presents.

In the yellow and red sacks, he has 6 presents.

In the yellow and green sacks, he has 7 presents.

In the red and green sacks, he has 5 presents.

How many presents are there in each sack?

### English

The Advent wreath is a very important and poignant symbol in church during the season of Advent. Can you do some research and create an information poster all about it? You might want to talk about what the different candles represent, Why the wreath is round and green and why we light the candles. Include pictures if you can.

### Geography

Saint Nicholas (Father Christmas) is known as lots of different names all over the world. Can you name the countries that call him by the names below?

- Santa Claus
- Sinterklaas
- Christkind
- Father Christmas
- Pere Noel

### P.E

Sometimes at Christmas we eat a little too many treats! It is really important that we keep fit and healthy too. Can you design a 5-minute active activity for children in Year 1 to do each morning to get their brains working before lessons? You might want to film yourself doing this to show them or you might want to practise and then write simple instructions.

### Design and Technology

Not only do we advent wreaths in church but often you see wreaths hung on people's front doors. Can you create your own imaginative wreath that could be hung in your house?

### Science

Did you know that you can use sugar to make Christmas decorations? Watch the video below and have a go at home! Make sure you ask an adult for help.
